3. **Representations of Investor.**

- a. I have reviewed a copy of the Form C Offering Statement, dated _______, 2018 and all attachments thereto (the "Offering Statement"), relating to the offering of the Class B Units.
- b. I have carefully read the Offering Statement, including the section entitled "Risk Factors", and have relied solely upon the Offering Statement and investigations made by me or my representatives in making the decision to invest in the Company. No statement, printed material or inducement has been given or made by any person associated with the offering of the Class B Units which was contrary to the information in the Offering Statement.
- c. I have been given access to full and complete information regarding the Company (including the opportunity to meet with the founders of the Company and review all the documents described in the Offering Statement and such other documents as I may have requested in writing) and have utilized such access to my satisfaction for the purpose of obtaining information in addition to, or verifying information included in, the Offering Statement.
- d. I understand that in completing this Subscription, I will also be subject to the terms and conditions of the Operating Agreement of the Company dated _______, 2018 (the "Operating Agreement"), a copy of which has been provided to me.
- e. I am experienced and knowledgeable in financial and business matters, capable of evaluating the merits and risks of investing in the Class B Units, and do not need or desire the assistance of a knowledgeable representative to aid in the evaluation of such risks (or, in the alternative, I have used a knowledgeable representative in connection with my decision to purchase the Class B Units).
- f. I understand that an investment in the Class B Units is highly speculative and involves a high degree of risk. I believe the investment is suitable for me based on my investment objectives and financial needs. I have adequate means for providing for my current financial needs and personal contingencies and have no need for liquidity of investment with respect to the Class B Units. I can bear the economic risk of an investment in the Class B Units for an indefinite period of time and can afford a complete loss of such investment.
- g. I understand that there will be no market for the Class B Units, that there are significant restrictions on the transferability of the Class B Units and that for these and other reasons, I may not be able to liquidate an investment in the Class B Units for an indefinite period of time.

h. I have been advised that the Class B Units have not been registered under the Securities Act of 1933, as amended ("Securities Act"), and are offered pursuant to an exemption from registration under United States federal securities law. I understand that the Company's reliance on such exemptions is predicated in part on my representations to the Company contained herein.

4. Investment Intent; Restrictions on Transfer of Securities.

- a. I understand that (i) there will be no market for the Class B Units, (ii) the purchase of the Class B Units is a long-term investment, (iii) the transferability of the Class B Units is restricted, and (iv) the Class B Units may be sold by me only pursuant to the Operating Agreement and applicable state and federal securities laws.
- b. I represent and warrant that I am purchasing the Class B Units for my own account, for long term investment, and without the intention of reselling or redistributing the Class B Units. The Class B Units are being purchased by me in my name solely for my own beneficial interest and not as nominee for, on behalf of, for the beneficial interest of, or with the intention to transfer to, any other person, trust, or organization, and I have made no agreement with others regarding any of the Class B Units. My financial condition is such that it is not likely that it will be necessary for me to dispose of any of the Class B Units in the foreseeable future, but in no event shall I attempt to transfer or dispose of them at any time that would render the Company an investment company, a registered investment advisor, or a regulated hedge fund.
- c. I am aware that, in the view of the Securities and Exchange Commission, a purchase of securities with an intent to resell by reason of any foreseeable specific contingency or anticipated change in market values, or any change in the condition of the Company or its business, or in connection with a contemplated liquidation or settlement of any loan obtained for the acquisition of any of the Class B Units and for which the Class B Units were or may be pledged as security would represent an intent inconsistent with the investment representations set forth above.
- d. I understand that any sale, transfer, pledge or other disposition of the Class B Units by me will require conformity with the restrictions contained in this Section 4 and the Operating Agreement.
- 5. **Investor Qualifications.** I represent and warrant that I have read and am familiar with the requirements of Rule 100(a) (2) of Regulation Crowdfunding.
